## POLICIES

### Lesson Fees

Payments are made on a monthly basis. Payments must be received the second week of the month at latest!! If you pay the year in full **BY THE SECOND WEEK OF SEPTEMBER**, you are eligible to receive 1 month free.

Payments should be placed in the locked mailbox on the wall inside of the studio, preferably in a sealed envelope with the students name on the front of the envelope. Cash, check, credit, and PayPal are accepted. You may also pay via our website.

If your payment is not received there will be a \$10 fee applied for every month it is late. There will be a \$30.00 bank service charge for each NSF check returned to the studio. Best Foot Forward is not responsible for any NSF or Overdraft fees your bank may assess to you or your accounts should there be an issue with sufficient funds in your account.

Once September has been completed, you are obligated and required to fulfill the rest of the dance season's monthly payments that you enrolled in whether or not your student participates and shows to class. In cases of emergency, and upon approval by Mariah, this policy may be waived.

### Referral Discount

If you refer a NEW dancer to the full fall season, you may receive 1 month free. This referral discount is **not applicable for summer class referrals**. At maximum, you can receive 1 month free. This discount cannot be combined with any other discounts.

### Multiple Class Discount

1st and 2nd classes are regular price, 3rd and above are 25% off.

# Class Cancellations

If the Stevens Point School District releases early or cancels school because of bad weather, the studio will also be closed that day. If school does not cancel, but weather is impeding on driving conditions, the studio may also cancel classes, please watch your email in addition to the studio Facebook page for updates. Please let Mariah know in writing if you must receive notification of class cancellations (for instance) via a phone call.

# Class Observation

Please plan to have one guardian present on the night planned for costumes to arrive. Class observation is limited to “as invited by instructors.” Please be respectful of the noise level in the waiting area! It is vital to retain student’s attention while in a class. If you are not abiding to studio guidelines in the waiting area, you may be asked to leave.

# RECITAL

Each student is expected and required to perform in the recital, unless if there is no routine learned in the class (I.E. technique class).

# Photography and Videography

Collecting and sharing photos is not permitted until the annual show is over, unless permitted by Mariah. We will have professional photos taken prior to the end of the year, in which every student must participate even if you do not wish to purchase the photos. No videotaping of classes is allowed unless permission is granted by the choreographer and the instructor. You may record at the student’s dress rehearsal. The annual recital may NOT be recorded.

# Practice

Practice makes.....progress!! Progress of students not only relies on receiving quality dance education, but it heavily relies on student’s effort in practicing on and off of the dance floor.

# Costume Details and Alterations

Costumes are required for each dance class performing in the annual recital. We work very hard to provide our students with the most affordable costumes. Costume fees (\$75.00/

class) must be received during the first week of November. **Costume fees are not refundable.**

If the cost of the costume is above \$75.00 you will be billed for the remainder. This is a very rare occurrence and we do our best to keep the total cost of classes reasonable.

In most cases, the costumes fit great, in others they may require alterations. Alteration services will not be arranged nor provided by Best Foot Forward Dance Company. Please make sure you consult the instructor before having alterations done to ensure the proper fit of the costume.
